

Let hygiene worries
go down the drain!

WATERTEC[®]

As a leading end-to-end plumbing solutions provider, Watertec gives offering hygiene-boosting products primary importance. A key product that maintains bathroom hygiene is a floor drain because it blocks odours and pests from entering the bathroom. Watertec's Floor Drains are an ideal combination of technology and design, making them fit for use in the private, commercial and industrial sectors. The product structure enables faster draining, prevents flooding and blocks odours and pests, thereby making it protective in all aspects.
